

Why does Pact want my feedback?

Your comments help us to improve the service we provide.

What happens to my feedback?

Your comments will be read by Toni Gillett, Team Leader, and Vicki Lee Thomas, who works with Pact Staff to improve services.

Your comments also may be shared with other Staff members when we review how we work.

The feedback boxes are checked each week.

Do I have to give my name?

No, however you may choose to if you would like the Team Leader to contact you to discuss your concerns directly with you.
